Wow, what a line-up! Nine years ago we placed a stage in a tent on a parking lot to offer free ethnic entertainment as part of our Multi-Cultural Festival. We hoped we could encourage acts to come and share their talent with us. Little did we know we would be so blessed that our Festival has grown into such a venue of highly talented multi-cultural expression. Our wonderful entertainment partners come and share their wide variety of art, music and dance with our captivated guests in a way they might not otherwise experience. In this way we are so happy to "Bring the World to You!"

Our Festival takes place October 1 and 2. More acts may join. Stay tuned to this webpage for postings of actual days and time of each individual act.
