Orthodox Church of St. Matthew

2026 Multicultural Festival

Greetings, Community Partner,

The Orthodox Church of St. Matthew's is hosting our 17th Annual Multicultural Festival on October 2 - 4, 2025. The St. Matthew festival began in 2008 and has been ongoing since! **Last year we hosted 4,000+ attendees** over the course of our three day celebration. Attendees are local to Howard County, the King's Contrivance and their friends and family.

The festival begins on Friday, October 2nd with a traditional Oktoberfest Celebration. Brats, live music and a seasonal beer and wine truck, make this an awesome kick off to our festival weekend. On Saturday and Sunday, we welcome several local multicultural performers to our stage and have 6 different food booths offering food from around the world! In addition to the food, there is a kids area and up to 12 local vendors.
